

## Joe Patton

**Senior Vice President of Sales  
FiberLight, LLC**

Joe Patton joined Fiberlight, LLC in April of 2007 bringing with him more than 18 years experience in the combined fields of Customer Service, Sales and Management. His expertise in the wholesale market is a great asset, along with his understanding of the larger enterprise segment. Prior to joining Fiberlight, Joe worked with several of the largest carriers, including 10 years with MCI prior to its merger with WorldCom. His roles in sales management and team development have brought him many achievement awards through the years. Joe is well versed in revenue generation, relationship management and contract negotiation. Joe received his education in Business Management at Georgia State University. Joe lives in Lawrenceville, GA with his wife and 5 children where they enjoy a multitude of sports and other outdoor activities.
